Welcome,

My name is Jarosław Jasińczyk-Zbrożek. I was born in 1974 in Pabianice, Poland. I graduated the School of Fine Arts in Zduńska Wola in 1994 and the Academy of Fine Arts and Design in Łódź in 1999. While still a student I led classes in a design workshop. In 1998 I was awarded with the scholarship from the Ministry of Culture and Art.

I am on the commercial market since 1998. I started as a freelancer. In 2001-2003 I worked at AMG.net – the first polish interactive agency, then up until 2006 at Digital One – a part of Euro RSCG Group. I designed, for example, for DaimlerChrysler Automotive Polska, Ericsson Polska, ING Group, Masterfoods Polska, Pepsi Cola General Bottlers Polska, Philip Morris Polska, Polkomtel.

I specialize in advanced, web-based communication intergrated with traditional media, and visual identity.

My hobby is photography.
